This Month's Theme: Happy Birthday, B.S.A!

It's time to celebrate with a big birthday bash. Boy Scouts of America is 100 years old this year. Learn the history of how Scouting came to the United States. Find out about those who have given us this great Scouting legacy such as Daniel Carter Beard, James E. West, Ernest Thompson Seton, Waite Phillips, and W. D. Boyce. Cubmaster's Corner:

A hundred years from now,

It will not matter at all what your bank account was, whether large or small. The kind of house you lived in will be immaterial too, as will the kind of car you drove and the famous folks you knew.

But the world may be a better place because you gave your time to Scouting. Guiding future leaders down life's trail on each and every outing. So keep that Scouting light shining as a beacon for each boy. Then in years to come you'll see them as men who fill you with pride and joy. Yes, Scouting is your boy!

Yours in Scouting, Ben Neill
