This Month's Theme: In the Spotlight

It's time to perform and be in the spotlight! This month spend some time making musical instruments to be used in the pack meeting variety show. The variety show could be skits, songs, puppet shows, magic tricks - you name it. Have the boys and their parents and families participate in a variety show and have some adults record the show. Dens can create posters announcing the show and make programs to let everyone know what's coming. Commercials could be videotaped by the den during their den meetings and then be shown between acts. (Get the parents involved) Take a photo for the local newspaper or a video clip for the local TV station for recognition of their achievements and put Cub Scouting in the spotlight. Visit a television, radio, or cable station to see how they prepare and produce their shows. Attend a play or musical production. The Cub Scouts can earn the Music belt loop and pin.

Next Month's theme: Hoop-De Doo!

Cubmaster's Corner:

Part of the magic of Cub Scouting is the opportunity Boys have to try out different talents, such as painting and drawing, music, puppetry, fixing things, landscaping and photography.

Let's always remember to celebrate the courage to try something new, the perseverance to keep practicing till you are really good, and the good sportsmanship to applaud the other guy when it's his turn to shine.

Den News:

Tiger Den 2: Hiked Blue Sky Ecological Reserve and saw a yellow finch. Also, Den 2 visited the Poway Chieftain newspaper offices.

Tiger Den 3: Is working very hard and almost finished with their Tiger Cub badges. Good Job!

Wolves: went Fishing, sold Scout Fair Tickets and conducted the flag ceremony at the Pack Meeting.

Bears: Visited the KUSI Television offices, Camped out at Dos Picos Park, Hiked up to Tooth Rock, went to the Scout Fair at Qualcomm Stadium.

Webelos 1: is busy busy busy working on their Craftsman and Artist Webelos Pins. They will be visiting Expressive Arts to finish the Artist Pin.
