This Month's Theme:

Celebrate Freedom!

Celebrate America's freedom established on July 4, 1776, with patriotic songs, games, and family fun. Discover what makes America so special to us. Decide on a birthday present your pack can give to America by doing a service project and a "Good Turn for America." Participate as a den or pack in an Independence Day parade. Enjoy the beauty of our country by participating in outdoor activities. Have a pack barbeque or family gathering and share some family heritage about coming to our great nation. Design and serve a birthday cake and sing to America! Earn the Citizenship and Heritage belt loops and pins. **Next Month's theme: Waves of Fun!**

Cubmaster's

Corner:

We shouldn't take our freedom for granted. Our right of free speech, to worship as we choose, and to enjoy the freedom we have as Americans. Our freedom is often taken for granted. There was a time in our history when man could only hope for these freedoms. And now they have become reality. Our freedom is a result of courage and sacrifice of thousands of our forefathers. Let us remember what it cost these men to provide our freedoms today and help keep our land free for those citizens of tomorrow.
